The Headliners — OUR SIGNATURES

BERRY GOOD COMPANY 12
Gin · Crème de Cassis · Fresh Lemon Juice · Blackberries
Big on blackcurrant, with juicy blackberries and a squeeze of lemon.

HONEY, I'M HOT 11
Blanco Tequila · Cointreau · Lime Juice · Hot Honey
A Margarita with a little more kick. The familiar favourite, with a hot punch.

SWEET TEMPTATION 13
Vodka · Lemon Curd · Fresh Lemon Juice · Sugar Syrup
We already put lemon curd on pizza, so a cocktail felt like the obvious next step. Smooth, sweet and very indulgent.

THE NIGHT SHIFT 13
Vodka · Coffee Liqueur · Espresso
A classic Espresso Martini, made with our SDC house coffee blend, vodka and a good frothy top.

In the Mix — CLASSIC & CONTEMPORARY

THE GREEN ROOM 11
Gin · Fresh Basil · Lemon Juice · Sugar Syrup
Light, fresh and easy-going. Sometimes that's all you need.

SOCIAL BUTTERFLY 13
Gin · Butterfly Pea Flower Syrup · Fresh Lemon Juice · Soda
Floral flavours with a bright citrus edge. Give it a swirl and watch the colour change.

OLD FASHIONED VINYL 12
Bourbon Whiskey · Brown Sugar Syrup · Angostura Bitters · Orange
Bourbon, a little sweetness, bitters and a twist of orange. You can't mess with a classic like this!

SOUR NOTES 12
Whiskey · Fresh Lemon Juice · Angostura Bitters
Our take on a Whisky Sour. A little sharp, a little sweet. Simple, done right.

Unplugged — ALCOHOL-FREE

BERRY ON THE BEAT 9
Fresh Blackberries · Apple Juice · Lemon Juice · Sugar Syrup
Blackberries, apple and lemon. Basically a fruit salad with better plans.

THE SOFT LAUNCH 9
Cucumber · Elderflower · Fresh Lime Juice · Soda · Mint
What's cooler than a cucumber mocktail?

OFF THE RECORD 8
Fresh Mint · Lime · Apple Juice · Sugar Syrup · Soda
All the freshness of a Mojito. None of the rum, none of the hangover.
